

**Request for Qualifications
For
Architectural Services
For Miscellaneous CMAR Projects**

**Issued: October 14, 2021
Proposals due: October 28, 2021**

Interested architectural & engineering (A/E) firms are hereby invited to submit relevant qualifications to the St. Francois County Commission Attn: **Kevin Engler, County Clerk** at St. Francois County Administration Building, 1 West Liberty Street, Annex Building, Suite 300, Farmington, MO., not later than 10:00 AM (CDT), October 28, 2021, for the design & engineering of selected improvements, renovations, & expansions include: 3,000 SF addition to the Road & Bridge Department including offices, storage, and break room spaces; and 1,500 SF addition to Juvenile Detention Center for additional office space.

Firms interested in this project should submit applicable Qualifications, including at a minimum,

- Cover Letter
- Five (5) similar maintenance/office building projects designed & completed over past two (2) years;
- Five (5) applicable individual references with current contact information;

Please assemble and submit your qualifications in a sealed envelope **MARKED** "St. Francois County Detention Center Qualifications," or "Road & Bridge Project Qualifications," which will be opened publicly @ County Commissioners' Chamber on Thursday, October 28, 2021, sender identified and then taken under advisement.

A similar selection process will be used for selection of a Construction Manager-at-risk (CMR) for construction of the project.

Questions may be directed to: Kevin Engler, County Clerk, in writing not later than October 28, 2021.

Your interest in St. Francois County is appreciated.

Kevin Engler, County Clerk
St. Francois County, Missouri
